

**WATERSIDE VILLAGE OF PALM BEACH
CONDOMINIUM ASSOCIATION, INC.**

MESSAGE TO OWNERS

During the past month, the election campaign generated a great deal of interest on the part of owners at Waterside Village. On Saturday, January 28th, the announcement of the electoral results brought this process to an end.

355 votes were cast (and the week following we received 17 vote ballots by mails that were automatically rejected). Votes were cast by 91% of the total number of owners. We should be very proud of the number of votes that were cast, as it amply demonstrates the health and vitality of our Association.

The results of the vote are equally impressive. The three directors standing for re-election obtained between 70 and 78% of the vote, as did Céline Poissant who ran in conjunction with them. This result confirms that your Board of Directors has unequivocal support and will continue to manage and direct the business of the Association with the same determination and enthusiasm demonstrated over the past several years.

On behalf of all members of the Board of Directors, I extend to you our sincere thanks for this expression of confidence in our leadership. I can assure you that we will continue to maintain the same diligence and transparency as in the past. The knowledge that you stand firmly behind us means a great deal and encourages us to continue our efforts on your behalf. We are enormously grateful.

The time has now come to turn the page and unite in our efforts for the well being of Waterside. Let us join our arms and move together in the same direction in order to advance the “village” in a manner that makes us proud.

André Mongrain

On behalf of all members of the Board of Directors
