- 3) Enter your **username**, **email address**, and a **password** twice; and then click "**Submit**" (located at the bottom of the screen).
- 4) You will then **receive an email** from messageboard@watersidevillage.com (look for this email, because it may land in your junk mail folder), simply **wait for approval**, and you are now registered!

Why register?

As a non-registered visitor you can read, but not post messages. You must register to post messages. You must also register to vote in community polls and to send/receive private messages. Once registered, new postings will also be highlighted for you (saving you time with each return visit) using these icons:

= Forum containing new messages since your last visit

= Forum containing messages you have already viewed

(This is a great feature!)
