

## JANUARY 2021 MONTHLY REPORT

### INTRODUCTION INFORMATION

*Florida's wave of the corona virus is still going on, the daily average remains high, the trend is not positive and the impact of the holidays has not been felt yet. Palm Beach County is in better shape than the State. It is possible for snowbirds to get vaccinated, but the rules and, what is required are not available, like do you need a residence or not, does a renter qualify, they need to produce information about the whole process. We will issue specific release when we learn more.*

*The Palm Beach County registration system is not functional, you can send an email via [chd50feedback@flhealth.gov](mailto:chd50feedback@flhealth.gov) and record your request. In a following email we will send the information provided by the Mayor of Palm Beach.*

*Waterside residents have been blessed so far; we have had a total of 3 of our residents that have tested positive since last February. We have to maintain our discipline and assume our responsibility.*

*Palm Beach County does issue an Emergency Order directive on a weekly basis, the last one under the title 2020-012 provides on page 3:*

*“Facial coverings must be worn by all persons in public places where social distancing in accordance with CDC guidelines is not possible or not being practiced. For purposes of this provision, **public places shall include any outdoor areas that are open and regularly accessible, including, but not limited to, common areas within private communities accessible to more than one housing unit**”.*

Your Board will issue a separate memo early next week trying to explain the meaning of this Order.

*It is mandatory that Waterside residents' report to the administration positive test results, the same applies to contractors on site. Quarantine obligation during the period of time waiting for the results should be followed.*

At the east pool, the total number of persons that can be at the pool is currently limited to 12 and will be increase to 16 with the publication of this report. So far when analyzing the sign in report and camera review it is on very limited occasions that there is more than 8 persons in the pool area.**

**REMEMBER NO VISITORS ARE ALLOWED.**

**There is still the obligation for the residents to bring their own chairs to the pool and to sign the registration process for tracking purposes. Operating protocol are also in place for the shuffleboard and the petanque. Nothing to report since the September report. *It is important to always lock your car, please, if you see something, say something*, and first call the Lantana police (561) 540-5701 for non-emergency or 911 for emergency, then call the office at (561) 582-6765, if a guard is on duty, he will answer the phone and take appropriate action when it relates to security.

#### **5. UNITS SOLD**

**Since November 1<sup>st</sup>, 2020 we have 6 units sold**, there are two units currently under negotiation. There is interest for Waterside, your Board is pleased with the level of requests even under the current pandemic situation. The main reasons for potential buyer interest are the excellent financial position, the way the site and buildings are maintained, the communication availability and finally yes, the quality of our residents, you remain our best real estate agents.

#### **6. SUMMER AND FALL PROJECTS**

We are making steady progress on the summer projects list if simply the awarded contracts can be completed, there is shortage of qualified staff; please visit our website for the latest update.

#### **7. THE UPCOMING WINTER SEASON**

Our snowbird residents are coming in greater number than what was expected and due to this situation, we cannot stress it enough, please wear a mask, maintain social distancing and wash your hands, for sure no handshakes. The health and safety of our residents and staff depends on it.

## **8.GROCERY, PHARMACY AND OTHER PROVIDERS INCLUSIVE OF TOTAL WINE**

For those residents interested, there are companies that could do your grocery shopping for you and deliver it directly to your unit. The main two companies are Instacart and Shipt. They service different stores but some of the main stores they service are Publix, Target, Costco, BJ's, Aldi, Total Wine, Petco and CVS pharmacy.

## **9. THE GARBAGE, RECYCLING AREA**

*Even with elaborate signage, residents do not understand, that yellow bins are for paper and reduced in size cardboard cartons, the blue bins are for plastic bottles and metal cans. It is always a mess, cardboard boxes are not reduced in size, paper end up in the blue bin. Please no pizza boxes in the paper bins and no plastic supermarket bags in either color bin.*
